Director, Weapons Systems Evaluation Group  
Office of the Assistant Secretary of Defense  
Washington 25, D. C.

Dear Sam:

I have your letter of 20 March 1957,  
relative to Soviet reporting capabilities, and  
have arranged for the appropriate officers of  
this Agency to be available to discuss the problem  
with your representatives.

If you will be good enough to have  
Colonel Beverly communicate with Mr. Thomas H.  
Karamessines  he will  
complete the necessary arrangements.
